

Eastern Markets Yesterday

(By L. J. Overlock)

BOSTON, Jan. 12.—The local copper were stronger today, with specialties very active. Hancock was the leader. Ojibway is fairly active around 6 3/8, with no change in price. Greene Cananea was well bought, and looks as if it would go higher. The dullness during the past few days has caused liquidation in the weak accounts, and the whole market is in a better condition, and we look for higher prices and more activity.

PAINE, WEBBER AND CO. Curbs quiet and unchanged. Total sales New York 569,300.

Copper metal 14 1/2 to 5 1/8. Santa Rosalia assessment of 25 cents per share is payable as follows: 10 cents January 25, 5 cents March 18, 5 cents May 21, and 5 cents July 22. Annual meeting will be held tomorrow, January 13, at 10 a.m. at Copper Queen hotel.
